Am computer science student

[About](#)[Education](#)[Skills](#)[Projects](#)[Resume](#)

About Me

I'm a **computer science** Highly motivated and detail-oriented computer science student with a strong passion for software development, artificial intelligence, and data analysis. Proficient in a range of programming languages, including Python, Java, and C++. Strong understanding of computer science fundamentals, with a solid foundation in algorithms, data structures, and computer systems. Eager to apply theoretical knowledge in real-world settings and collaborate with others to drive innovation.

Education

bharathidasan university-queens college of arts and science for women-bsc computer science

Skills

- c
- dbms
- Python
- java

Projects

- [E Cart website](#)
- [Cloud Security IBM](#)
